

Panel

Students building AI at Rutgers

Rey Riordan and Jey Labadorf · Moderated by Rick Anderson

The panelists

Two projects, two paths

Rey Riordan

OSCE Simulation

Jey Labadorf

Lexus

How this works

Stories first, then questions

10–15 minutes each · 15 minutes of discussion · then the room

First

Rey Riordan

OSCE Simulation

Next

Jey Labadorf

Lexus

 Discussion

Looking back, what would you have liked to know at the beginning?

 Discussion

How did you host your project to get started?

 Discussion

What changed in the AI tech from beginning to end?

 Discussion

How is the current version hosted?

 Discussion

What advice would you give faculty starting a new project?

 Discussion

What support would have helped?

Administration · IT · Departmental

 Over to you

Questions from the room

Thank you

Rey and Jey
